

RANDOLPH

SUMMER CAMPS

2021 SUMMER PROGRAMS

Experience the Randolph Difference in the Summer Enrichment STEAM Program

What's being offered?

Our Summer Enrichment STEAM program will not only strengthen academic acumen, but also inspire creativity and innovation by offering a new, full-day format that includes enrichment learning in the morning, accompanied by STEAM activity sessions in the afternoon. Our program will expose children to a challenging academic program that will keep them engaged and excite their imagination!

Why it's worth it?

The full-day summer program is being offered in weekly sessions that are structured to keep students safe during the pandemic, engaged academically, and inspired to learn more about subjects that interest them. Each weekly session costs \$450 and includes:

- **Small class sizes with academic enrichment lessons led by Randolph School faculty and staff**
- **Social/Emotional development opportunities through structured activities with other students**
- **A differentiated learning approach that is designed for each age group and grade.**

Sample Schedules

Grades
K - 4

8:00 - 9:00am: Small Group Activity

9:00 - 11:00am: Academic Enrichment (divided by grade K, 1 & 2, 3 & 4)

11:00am - 12:00pm: Lunch (provided from home)

12:00 - 1:00pm: STEAM Session #1

1:00 - 2:00pm: STEAM Session #2

2:00 - 3:00pm: STEAM Session #3

Grades
5 - 6

8:00 - 9:00am: Small Group Activity

9:00 - 11:00am: Academic Enrichment (divided by grade 5 & 6)

11:00am - 12:00pm: Lunch (provided from home)

12:00 - 1:30pm: STEAM Session #1

1:30 - 3:00pm: STEAM Session #2

Note: All Summer Enrichment STEAM Program offerings are for rising K-6 students. Greengate School at Randolph's Reading Program is for students entering grades 1-5 in the 2021-22 school year.

Health and Safety Measures

The health and safety of our community is our highest priority. In accordance with the Randolph School operation guidelines, we are committed to the following health and safety measures during the 2021 Summer Enrichment STEAM Program and Greengate School at Randolph Reading Program.

 <p style="text-align: center;">Health Screenings</p>	<p>Families are asked to complete a health screening each morning, and students and employees should not proceed to campus if they exhibit COVID-19 symptoms (see below). Daily temperature checks will be conducted for all students upon arrival to campus. School employees will observe students throughout the day, and students with symptoms will be monitored in isolation rooms while parents/guardians are contacted to arrange immediate pick-up or departure.</p> <ul style="list-style-type: none"> •Fever or chills •Sore throat •Cough •Shortness of breath or difficulty breathing •Diarrhea, nausea or vomiting •New loss of taste or smell •Muscle or body aches or fatigue
 <p style="text-align: center;">Face Coverings</p>	<p>Face coverings are to be worn by all students, employees, and visitors on campus. Randolph School requires that face coverings:</p> <ul style="list-style-type: none"> •Cover the nose and mouth •Be a minimum of two layers of fabric •Be sized appropriately for your child •Loop over the ears or head (so that they need not be tied) •Be appropriate for an educational setting and not cause a distraction to the classroom environment or learning process. •Be free of large print text or large logos
 <p style="text-align: center;">Physical Distancing</p>	<p>Movement on campus will be controlled and directed to reduce the mixing of students. In classrooms, students will be seated with spacing to minimize transmission risk with additional safety measures and greater supervision in place.</p>
 <p style="text-align: center;">Hand Hygiene</p>	<p>Students and faculty will follow a regular schedule of hand washing or use of hand sanitizer throughout the day. Hand sanitizer dispensers will be available throughout the facilities and at each entrance to ensure convenient access.</p>
 <p style="text-align: center;">Enhanced Cleaning</p>	<p>Daily cleaning practices will be compliant with CDC recommendations, including the types of cleaning products used and the frequency of cleaning. Special attention will be paid to the cleaning of high touch surfaces throughout the day.</p>

WEEK 1

JUNE 7-11

GRADES K-4

STEAM THEME - Deep Blue Sea - Ultimate Shark Camp

Teachers - Nichole Knapp, Kelley Wolfe, Roxy Vega

Calling all shark enthusiasts! Don't miss out on this sharktastic week! The lessons and labs from this camp will allow your camper to become a true shark scientist! Campers will dive into a week filled with activities about shark biology and marine science. This fin-tastic camp will feed their insatiable appetites to learn more about sharks through hands-on labs, engineering challenges, games, and much more!

GRADES 5-6

STEAM THEME - C.S.I. Engineering Camp

Teachers - Cathy Zeller, Desiree Campbell

Check us out if you want to get "caught" in applying your skills at our exciting STEM camp with a forensic twist! Each day campers will be given a simple brown bag to analyze the mysterious contents and receive their task card with their daily engineering challenge. The students will collaborate to find a solution to their problem before the timer runs out! It will be a race against time to solve the case! The week will end with an exciting finale of a fantastic Breakout Escape room!

WEEK 2

JUNE 14-18

GRADES K-4

STEAM THEME - Galaxy Quest-Out of this World Spy Camp!

Teachers - Donna Baggette, Kelley Wolfe, Roxy Vega

Somewhere far away in the universe Dr. Evil has concocted yet another plan to outsmart the young detectives of spy camp! Each day the campers will receive a TOP SECRET briefing that is sure to put their spy skills to the ULTIMATE test! Campers will sharpen their operative skills as they uncover the secret world of espionage in outer space! They will need to discover a variety of clues, analyze evidence, connect the dots, and of course capture Dr. Evil! Prepare to blast off this summer as we come together aboard the spacecraft STS-Vindicator!

GRADES 5-6

STEAM THEME - World Language Immersion Tour

Teachers - Whitney Painter, Delicia Potter

Are you an adventure seeker who longs to travel the world and explore the wonders of different cultures? If so, this camp is for you! During the camp, we will become famous inventors, code breakers, internet detectives, gamers, and artists while learning about different traditions and cultures of French and Spanish countries from around the world.

WEEK 3

JUNE 21-25

GRADES K-4

STEAM THEME - Gizmos, Gadgets, and Goo!

Teachers - Donna Baggette, Laura Bernick, Kelley Wolfe

Campers will have opportunities to explore everything they have ever wondered about from messy explosive chemistry to mind boggling life science labs. There will be daily topics that will include snap, crackle, pop, license to chill and color chemistry! Prepare to get messy! There will be oodles of goo and slime galore!!!!

GRADES 5-6

STEAM THEME - The Amazing Race

Teachers - Whitney Painter, Delicia Potter

Join the exploration adventure by learning about floating gardens, mazes, and paper-maché piñatas. These are just a few of the things that you will create while learning card games and leisure games from various French and Spanish cultures. Solving a mystery and catching an art thief while racing around the campus will test your skills of deduction and what you have learned through your time at camp!

WEEK 4 JUNE 28-JULY 2

Dive into K Camp!

Dive Into Kindergarten (SPECIAL PRICE \$175)

Teacher - Donna Baggette

This camp is specifically for rising kindergarten students. It focuses on phonemic skills, listening and comprehension, and fine motor skills. A study guide will be given at the end of the course to help parents prepare their child for the classroom experience. This is an excellent first exposure to Randolph and a great way to meet new classmates before school starts, all in a warm and nurturing environment guided by a Randolph kindergarten teacher.

This camp is ONLY offered during the hours of **8:00-10:00am**.

GRADES 1-4

STEAM THEME - Extreme Expedition Time Machine Adventure

Teachers - Mary Catherine Nance, Kelley Wolfe, Tyler Knickelbein

Pack your suitcase and grab your passport! Prepare to travel to some EXTREME locations as we climb aboard our DeLorean time machine for a week of adventure! Each day will include survival challenges to stay prepared for the many destinations that we hope to land throughout our travels together! Don't miss your opportunity to time-warp as we blast off into the past at 88mph as we rely on our flux capacitor to help us reach our designated time period!

GRADES 5-6

STEAM THEME - Ultimate Food Truck Reveal Challenge!

Teachers - Ben Tieslau and Delicia Potter

This camp is for future entrepreneurs who are innovative and possess the vision of changing the future of food! This week will be filled with endless opportunities of hands-on, project-based learning activities that will inspire campers to design and create their own food truck prototype. They will not only design their truck, but also develop a brand, create a menu, and even film a commercial!

Greengate Summer Reading Program

For students entering grades 1 – 5 in the 2021-22 school year

\$1505 for the four-week program

8:30 – 11:30am

Greengate School's four-week program works to strengthen language and math skills for children with reading difficulties. The program offers daily reading tutorials conducted by specialists trained in Orton-Gillingham instruction, an approach designed for bright children who struggle in reading, spelling and writing. This helps ensure the child doesn't lose precious academic ground during the long weeks of summer.

Studies show that all students experience about a month of learning loss during the summer, and for students with dyslexia, the losses may amount to as much as 3 months. Weaknesses in memory, processing speed, attention, and language development cause skills to erode more quickly. As a result, students have to spend more time reviewing at the beginning of each school year in order to catch up. Continuing instruction during the summer months can help greatly reduce learning loss.

Who should attend?

Students entering grades 1 - 5 who:

- have good verbal abilities who struggle in reading, spelling, writing, and/or math
- need continued summer instruction to ensure maintenance or continued growth of skills
- can work in a small group setting without major behavioral problems
- thrive within a multi-sensory instructional environment.

Children do not need any special testing or learning diagnosis to be eligible to attend the summer reading program, but parents must submit information for review before acceptance and some pre-screening is completed. We are not able to support children with emotional and/or behavioral difficulties in our summer reading program. If it is determined after the program begins that a student has emotional and/or behavioral difficulties, the student may be removed from the program. Under these circumstances, the cost of the program is non-refundable.

Summer Enrichment STEAM Program

The Randolph Summer Enrichment STEAM Program is for students interested in academic enrichment, extraordinary opportunities, and STEAM fun! Classes are taught by Randolph faculty and staff.

Our multi-level, multi-dimensional approach is designed to reach each age group by offering them grade specific enrichment activities in the morning, as well as afternoons filled with small group STEAM sessions. We know that the children who attend will have different gifts and different ways of expressing themselves.

Our summer enrichment program is one that provides students with an opportunity to further their academic success while allowing them time to explore math, language arts, science, and engineering topics in an interactive and engaging format. Each day, your child will participate in an exciting summer camp environment that challenges them to apply their learning to an activity that involves critical thinking, problem solving, and creativity.

To Register for Randolph Summer Programs & Greengate School at Randolph's Reading Program:

For current and future students enrolled at Randolph, please register in [MyRandolph](#). For the North Alabama community, visit randolphschool.net to register.

If you have questions about the summer program please email summerprograms@randolphschool.net or call 256.799.6100 EXT. 6456.

**Have your child spend the
summer with us!**
