

2022 SUMMER PROGRAMS

Experience the Randolph Difference This Summer

Our summer programs will not only strengthen academic acumen, but also inspire creativity and innovation by offering a full-day format that includes enrichment learning in the morning, accompanied by STEAM activity sessions in the afternoon. Our program, for rising K-7 students, will expose children to a challenging academic program that will keep them engaged and excite their imagination!

The full-day summer program is being offered in weekly sessions that are structured to keep students safe, engaged academically, and inspired to learn more about subjects that interest them. Each weekly session costs \$475 and includes:

- Small class sizes with academic enrichment lessons led by Randolph School faculty and staff
- Social/Emotional development opportunities through structured activities with other students
- A differentiated learning approach that is designed for each age group and grade.
- NEW for 2022! We are offering lunch to participants!

Sample Schedules

Grades K - 4 8:00 - 9:00am: Small Group Activity 9:00 - 11:00am: Academic Enrichment (divided by grade K, 1 & 2, 3 & 4) 11:00am - 12:00pm: Lunch Provided 12:00 - 1:00pm: STEAM Session #1 1:00 - 2:00pm: STEAM Session #2 2:00 - 3:00pm: STEAM Session #3 3:00 - 5:00pm: Afternoon Activity Session (optional add-on)

Grades 5 - 7

8:00 - 9:00am: Small Group Activity 9:00 - 11:00am: Academic Enrichment (divided by grade 5, 6, 7) 11:00am - 12:00pm: Lunch Provided 12:00 - 1:30pm: STEAM Session #1 1:30 - 3:00pm: STEAM Session #2

For current and future students enrolled at Randolph, please register in <u>MyRandolph</u>. For the North Alabama community, visit <u>randolphschool.net</u> to register. If you have questions about the summer program please email: <u>summerprograms@randolphschool.net</u> or call 256.799.6100

Health and Safety Measures

The health and safety of our community is our highest priority. In accordance with the Randolph School operation guidelines, we are committed to the following health and safety measures during the 2022 Summer Programs.

Health Screenings	Families will be responsible for checking for COVID-19 symptoms each morning, and students and employees should not proceed to campus if they exhibit symptoms. School employees will observe students throughout the day, and students with symptoms will be monitored while parents or guardians are contacted to arrange immediate pick-up or departure.
Face Coverings	Randolph has a "mask-preferred" policy for indoor spaces on campus. Face masks will still be worn by all in specific situations (during assemblies when indoors, on transportation, etc.). For this reason, all students and employees will be required to have a mask available daily. Approved masks should have a minimum of two-layers and fully cover the nose and mouth.
O -O Physical Distancing	Students will be seated in classrooms and assemblies with 3' spacing or in small cohorts, as practicable, in order to reduce the risk of transmission and minimize required quarantines.
Enhanced Cleaning and Hygiene	Students and faculty will follow a regular schedule of hand washing or use of hand sanitizer throughout the day. Hand sanitizer dispensers will be available throughout the facilities to ensure convenient access. Daily cleaning and sanitization practices will be compliant with CDC recommendations, including the types of cleaning products used and the frequency of cleaning.

JUNE 6-10

GRADES K-4

<u>Return to Hogwarts Wizard Camp at Randolph</u> Teachers - Kelley Wolfe, Henri Helstowski, Cathy Zeller

Don't let the train leave without you! Meet me at platform 9 ¾ this summer as we embark on a magical journey back to Hogwarts at Randolph School. Campers will discover secrets and spells from the magical and mystical world of Harry Potter as they participate in wand making class, mixing potions, spell casting contests, and more! Make plans to join Dumblewolfe this summer for a fantastical week of transformation as this week-long experience is sure to transform you from muggle to wizard!

<u>Ultimate, Awesome, and Totally Epic Fun and Games Camp</u> <u>3:00-5:00PM</u> Coaches - Dave Garrison, Derek Baudy

Our afternoon fun fitness camps are jam packed with a wide variety of awesome, daily themed activities! Campers will have a blast burning off energy in super fun gym games, playing outdoors, and engaging with friends. Make plans to join our amazing Lower School coaches for these afternoon sessions where campers will experience healthy social interactions as well as teach cooperation through group activities. They will also develop confidence as they work together as a team that will contribute to a healthy mindset!

GRADES 5-7

Forensics in Espionage-Mission STEM Teachers - Roxy Vega, Desiree Campbell

Is there a mole in your operation? While accusations fly, only forensic evidence provides the necessary counterintelligence clues to put this case to bed. Students become forensic scientists and use real FBI forensic techniques to examine evidence, make recommendations, and use the scientific method to determine the identity of the spy "among us". Join us again this summer as we collaborate to find the solution to the daily challenge before time is up! Do you have what it takes to be a member of the Raider forensic team?

RISING KINDERGARTEN STUDENTS

Dive Into K Camp 8:00-10:00AM Teacher - Donna Baggette

This camp is specifically for rising kindergarten students. It focuses on phonemic skills, listening and comprehension, and fine motor skills. A study guide will be given at the end of the course to help parents prepare their child for the classroom experience. This is an excellent first exposure to Randolph and a great way to meet new classmates before school starts, all in a warm and nurturing environment guided by a Randolph kindergarten teacher.

GRADES K-4

<u>Wonkaland</u> Teachers - Kelley Wolfe, Lea Hoppe, Elizabeth Garrison

A simply delicious week of Willy Wonka science adventure awaits you as your golden ticket admits you to a week-long visit to the fantastic and mysterious chocolate factory here at Randolph School! Pick up your Wonkavison glasses at check-in and get ready for a scrumdiddllyumptious week of Oompa Loompa fun!

this session

<u>Ultimate, Awesome, and Totally Epic Fun and Games Camp</u> <u>3:00-5:00PM</u> Coaches - Dave Garrison, Derek Baudy

Our afternoon fun fitness camps are jam packed with a wide variety of awesome, daily themed activities! Campers will have a blast burning off energy in super fun gym games, playing outdoors, and engaging with friends. Make plans to join our amazing Lower School coaches for these afternoon sessions where campers will experience healthy social interactions as well as teach cooperation through group activities. They will also develop confidence as they work together as a team that will contribute to a healthy mindset!

JUNE 13-17

GRADES 5-7

<u>Kitchen Chemistry</u> Teachers - Deborah Boothe, Roxy Vega

This kitchen chemistry session will transform ordinary ingredients into amazing chemistry concoctions! Explore solutions, reactions, and more while you create edible science experiments that will ooze, pop, and fizz! Campers will stir up their curiosity as they rely on their senses to become food detectives and discover scientific secrets as we investigate the physics of popcorn, the chemistry of cake, and more! This is a science camp that you can really sink your teeth into!

WEEK 3 JUNE 20-24

RISING KINDERGARTEN STUDENTS

<u>Dive Into K Camp</u> <u>8:00-10:00AM</u> Teacher - Donna Baggette

This camp is specifically for rising kindergarten students. It focuses on phonemic skills, listening and comprehension, and fine motor skills. A study guide will be given at the end of the course to help parents prepare their child for the classroom experience. This is an excellent first exposure to Randolph and a great way to meet new classmates before school starts, all in a warm and nurturing environment guided by a Randolph kindergarten teacher.

GRADES K-4

<u>Grossology</u> Teachers - Kelley Wolfe, Nichole Knapp, Elizabeth Garrison

Grab your safety goggles! Join us for a week of hands-on fun with science experiments that are sure to gross you out! Campers will explore why their bodies produce mushy, oozy, scaly, crusty gunk, as well as create goop, disgusting things that ooze, and so much slime! Nothing is too challenging as Grossology specialists learn the good, the squishy, and the downright disgusting truth about the human body!

<u>Ultimate, Awesome, and Totally Epic Fun and Games Camp</u> <u>3:00-5:00PM</u> Coaches - Dave Garrison, Derek Baudy

Our afternoon fun fitness camps are jam packed with a wide variety of awesome, daily themed activities! Campers will have a blast burning off energy in super fun gym games, playing outdoors, and engaging with friends. Make plans to join our amazing Lower School coaches for these afternoon sessions where campers will experience healthy social interactions as well as teach cooperation through group activities. They will also develop confidence as they work together as a team that will contribute to a healthy mindset!

JUNE 20-24

GRADES 5-7

<u>"Raiders" of the Lost Ark - World Language Tour</u> Teachers - Whitney Painter, Delicia Potter

Travel back in time to ancient worlds and discover new cultures, emulate early thinkers and inventors, and uncover some of history's most mysterious secrets. Along the way you'll discover the traditions of the ancient orient, bake fortune cookies, celebrate the Chinese New Year, create origami dragons, and cook. Campers will enjoy Egyptian marshmallows, race chariots, build pyramids, and much more! Come and join us on this amazing summer adventure!

JAZZ CAMP

JUNE 22-24

Summer Jazz Camp 10:00AM-3:00PM Dr. Erin Charles

Get ready for a great week of music, featuring two special musical guests. This camp is for rising 8th – 12th graders. Every student must bring their own lunch, have their own instruments, and possess the ability to play scales. After receiving guidance from our guest artists, the jazz camp will culminate with a performance on Friday, June 24th at 7:00pm in the Thurber Arts Center.

Includes:

- Rehearsals
- Masterclasses
- Camp Apparel
- 1 on 1 Lessons
- Cameo Performances with guest artists

Guest Artists:

Kelvin Wooten, Multi-Instrumentalist & Producer

Hear them Play

WEEK 4 JUNE 27-JULY 01 GRADES K-4

Superhero Science Spy Camp

Teachers - Kelley Wolfe, Tyler Knickelbein, Donna Baggette

It's a bird! It's a plane! It's time for Superhero science spy camp! Is your child a superhero in the making? Do they enjoy science experiments and mysterious missions that will allow them to explore their inner star power through hands-on science activities? Campers will spend an exciting week of bringing their "Impossible" superpowers to life as well as capturing a villain! Each day will focus on a different superhero! Join us and help us keep the city safe from Dr. Evil with science that goes KAPOW!!!

<u>Ultimate, Awesome, and Totally Epic Fun and Games Camp</u> <u>3:00-5:00PM</u> Coaches - Dave Garrison, Derek Baudy

Our afternoon fun fitness camps are jam packed with a wide variety of awesome, daily themed activities! Campers will have a blast burning off energy in super fun gym games, playing outdoors, and engaging with friends. Make plans to join our amazing Lower School coaches for these afternoon sessions where campers will experience healthy social interactions as well as teach cooperation through group activities. They will also develop confidence as they work together as a team that will contribute to a healthy mindset!

GRADES 5-7

Anime Academy - An Exploration of Contemporary Japanese Pop Culture

Teachers - Noah Hoppe-McQueen, Pete Townsend

Don't you just love finding something kawaii? Tired of getting that "nani?" look from fellow kids? What's the deal with jelly donuts!? In this course we will explore Japanese animation from its roots to modern day, learning about Japanese traditions and daily life while discussing our favorite titles and safe viewing practices. Of course, we will also be getting hands-on with basic animation techniques and even preparing some of our favorite snack items! So, buckle up for what we hope will be an experience you will find very much "sugoi!"

RAIDER ATHLETIC CAMPS

GRADES 3-6

<u>Youth Football Camp</u> Coach - David Lloyd, Varsity Head Football Coach July 7-8 5:30PM-7:00PM SportsMed Field, Garth Campus

Campers will hit the field with the Varsity and Middle School football staff as well as current Varsity football players. Activities will include daily individual and group drills, non-contact blocking and tackling drills, group and team drills, and a football competition to end the camp.

this session

Randolph Raider Boys Basketball Camp Coach - Mike Morris, Varsity Head Boys Basketball Coach June 13-16 2:00PM-5:00PM Shields-Jones Athletic Complex, Garth Campus

Campers will learn fundamentals of the game and different skills based on their ability. All abilities are welcome! We will play different games incorporating the fundamentals and skills taught throughout the week, and also play 3 on 3, 4 on 4, and 5 on 5 games based on the number of campers. The goal of this camp is for everyone to learn how to be a better player and have fun playing the game. Learn and have fun!

Lady Raider Hoop Camp May 31 - June 3rd 9:00AM-12:00PM Shields-Jones Athletic Complex, Garth Campus

New to the game or seasoned? It doesn't matter! All abilities are welcome! Campers will learn fundamentals of the game and different skills based on their ability. We will play different games incorporating the fundamentals and skills taught throughout the week, including 3 on 3, and up to 5 on 5 based on the number of campers. The goal of our camp is for everyone to learn, grow, develop, and have a great time doing it! Go Raiders!

For students entering grades 1 – 5 in the 2022-23 school year

\$1505 for the four-week program

8:30 – 11:30am

Greengate School's four-week program works to strengthen language and math skills for children with reading difficulties. The program offers daily reading tutorials conducted by specialists trained in Orton-Gillingham instruction, an approach designed for bright children who struggle in reading, spelling and writing. This helps ensure the child doesn't lose precious academic ground during the long weeks of summer.

Studies show that all students experience about a month of learning loss during the summer, and for students with dyslexia, the losses may amount to as much as 3 months. Weaknesses in memory, processing speed, attention, and language development cause skills to erode more quickly. As a result, students have to spend more time reviewing at the beginning of each school year in order to catch up. Continuing instruction during the summer months can help greatly reduce learning loss.

Who should attend?

Students entering grades 1 - 5 who:

- have good verbal abilities who struggle in reading, spelling, writing, and/or math
- need continued summer instruction to ensure maintenance or continued growth of skills
- can work in a small group setting without major behavioral problems
- thrive within a multi-sensory instructional environment.

Children do not need any special testing or learning diagnosis to be eligible to attend the summer reading program, but parents must submit information for review before acceptance and some pre-screening is required. We are not able to support children with emotional and/or behavioral difficulties in our summer reading program. If it is determined after the program begins that a student has emotional and/or behavioral difficulties, the student may be removed from the program. Under these circumstances, the cost of the program is non-refundable.
